

Stratford London

Square Home would like to present this luxury two bedroom apartment in the heart of Stratford city. From the view of your apartment you have the view of London.

Outside your apartment you have Westfield shopping centre the largest in Europe plus you have Stratford train station right opposite you.

This luxury apartment has two double room with one having its own on suite and its all furnished. This kitchen is together with the dining room so its more of a through lounge.

Why not take a look at the photos and book yourself a viewing with one of our colleague.
